Περιγραφή

BEAUTIFUL REMODELED HOME!! Come see this beautiful 1923 remodeled home located in the Historic Jefferson Park neighborhood. The owner spared no expense on this lovely home and it has passed all HPOZ requirements. The owner kept the charm of the original layout and updated everything in the home down to the studs. When you enter, you will notice the open dining and living room with new flooring, baseboards, crown molding, ac/heat wall unit and electric fireplace. Kitchen has been updated with new cabinets, new caesar stone counter tops, tile flooring and all new appliances. All of the bedrooms have been updated with new flooring, baseboards, crown molding and each room has their own individual ac/heat wall unit. Additional upgrades include new landscaping with automatic sprinklers, new electrical, new copper plumbing, new windows, new roof, new paint inside and out. This home is perfect for an owner occupant or investor that wants to add units to this spacious lot. Seller is willing to install another bathroom after close of escrow. Property is zoned LAR4.
