Description

Closet room, elegant bathroom in travertine with Devon & Devon accessories and fixtures. Small toilet in Carrara marble. A staircase leads to a splendid shared terrace where there is a small studio with a panoramic view of the whole city and looking directly on to the cathedral, baptistery, bell-tower, hills and other monuments. Air conditioning in the bedrooms, autonomous heating. The apartment offers the chance to enjoy all that it means to live in the heart of the city, and once you enter into the house, it gives a pleasant sense of peace and intimacy, and the privilege of a unique panorama.
