Description

Behind a gorgeous vintage facade, lies an elegant, clean lined, contemporary masterpiece. This stunning home on the Gold Coast's prestigious Bellevue Place, was reinvented with a mix of modern and subtle nods to the Art Deco era. As you enter the home, you'll be welcomed into the huge living room featuring the first of four fireplaces. The elegant dining room is spacious and leads on towards the powder room, rear staircase, and then in to the massive kitchen complete with a second eating area. Upstairs you'll find 3 large bedrooms with one currently outfitted as a media room, with custom built-ins, & wet bar. The entire top floor was envisioned as an oasis for the owner, Grand bedroom, walk-in closet, & on to the master bath, complete with separate vanities & water closets. A jetted tub, power shower, sauna & Spa with hot tub and access to the roof deck and another wet bar. An expansive family room complete w/ wet bar & full bath make the lower level a great retreat. 2 car garage, too!
